

MUHAMMAD IKRAM

Muhammad Ikram is a rising 2L at the SMU Dedman School of Law, where he serves as the Co-President of the Muslim Law Students Association, Vice President of the Intellectual Property Organization, and is a Tsai Scholar with the Tsai Center for Law, Science and Innovation.

He holds a Bachelor of Science in Electrical Engineering and a Minor in Political Science from the University of Texas at Dallas, where he conducted research focusing on network resilience and control theory application, as well as RF circuit design, electromagnetic simulation, and wireless power transfer systems. He is also active in community service through his involvement with the Boy Scouts of America, where he achieved the rank of Eagle Scout and Vigil Honor with the Order of the Arrow, and continues to serve as a Merit Badge Counselor and Volunteer. He has also been a volunteer with Young Muslims, the largest national off-campus grassroots youth organization in the country, for over eight years, serving as a Regional Vice Chair and National Cabinet Member.

This summer, he will be an IP Summer Associate at Baker Botts, from whom he is a recipient of the Rufus Cormier Diversity Fellowship, and a Judicial Intern with the U.S. District Court for the Eastern District of Texas.
